**The Fencing Contractors you've been looking for**

Green Star Products (S) Pte Ltd was founded in year 2002.  
Green Star Products (M) Sdn Bhd was founded in year 2010.

We are specializing in various activities for major construction upgrading works. Our experience includes a varied mix of both public and private residential, institutional, civil engineering / infrastructure and upgrading (additions and alternations) projects.

At Green Star Products, we'll go out of our way to provide the best value-for-money solutions to your needs.

Our conscientious attitude means we've many clients who come back to us again and again to carry out fencing projects. These clients include councils and schools, as well as a wide range of businesses for which we provide commercial fencing systems. With over 12 years' experience as a fencing contractor, our expertise covers:

Top & Bottom Bended Fence

Temporary Welded Fence

3D Welded Fence

Anti Climb Fence

Sound Reducing Fence

Razor Barbed Wire Fence
